

13 Top Product Picks From Maison&Objet's January 2025 Show

Visitors escaped the cold and flocked to the Maison&Objet exhibition at the Paris Nord Villepinte exhibition park—which took place from January 16-20, 2025—to see new wares from over 2,300 exhibitors from nearly 60 countries around the globe. Here are our top picks for the best and the brightest from this year's January trade show.

Helio for Dugeot Manufacture

Photography by Dugeot Manufacture.

Photography by Dugeot Manufacture.

French designer Constance Guisset's first collaboration with Dugeot Manufacture includes the Helio chair, reliant on its rounded form and crafted in oak.
