

# Best outdoor living: the finest outdoor furniture for your space

The sky's the limit: discover the best outdoor furniture to get your space summer-ready

**W**e're yet to build our dream villa by the Med, but, of course, we're already collecting the best pieces to furnish it with, chosen from the latest outdoor furniture launches.

## Best outdoor furniture for the summer

French designer Constance Guisset designed the Chelsea outdoor sofa for Tectona with relaxation in mind. The modular system lets the design adapt to a myriad of outdoor spaces, and the design was adapted specifically with a lower height and welcoming cushions.
